

NSCA FOUNDATION (NSCAF) GRANTS REVIEW COMMITTEE

Grants Review Committee Purpose

Work in conjunction with the NSCA Research Committee to review applications for grants supported by the NSCAF and make recommendations for funding.

Membership

The Grant Review Committee will be composed of three (3) individuals including one (1) representative from the NSCAF Board of Directors (BOD). The remaining two (2) committee members will include the Chair of the NSCA Research Committee and a member of the NSCA Research Committee who will be selected by the NSCA Research Committee Chair. Committee members must be current NSCA members and will serve a three year term with members rotating off annually. Members may be reappointed to the committee and serve consecutive three year terms, but can only serve two full terms in their lifetime. Service of less than half the term is not a full term.

The Chair of the NSCA Research Committee shall also serve as Chair of the NSCAF Grants Review Committee and is responsible for:

- Implementing the committee purpose statement as approved by the NSCAF BOD
- Communicating with the NSCAF Board Liaison and the NSCA Headquarters Staff Liaison
- Distributing grant applications for review to members of the Research Consortium and making recommendations to the NSCAF BOD for funding
