Cape Henry Collegiate

CAMILLE LABEL

Midfield

Junior

Camille Label is a consistent member of our Breakfast Club workout group. Training before the start of school, she also continues to work out consistently during the summer months. What separates Camille from her peers is her ability to bring others along with her. She has helped build up her teammates while quietly focusing on her own development. Camille leads by example and motivates those around her.

LILLY CIMAROLI

Senior

Lilly Cimaroli's performance this year firmly establishes her as one of the premier high school athletes in the country and a deserving High School Strength All-American. A First Team All-American selection by both the National Field Hockey Coaches Association (NFHCA) and MAX Field Hockey, Lilly has earned national recognition for her elite play. Most recently, she was named to the USA U18 National Team. At the state level, the Illinois High School Field Hockey Association named her First Team All-Conference, First Team All-State, and the Illinois Offensive Player of the Year.

Lilly has led the Trevians to back-to-back state championships, scoring the game-winning goals in both title games, stepping up in the biggest moments. Her competitive excellence is no accident. Lilly's success on the field is a direct reflection of her commitment in the weight room.

She has been a consistent leader in strength training, setting the standard for preparation, intensity, and accountability.

Her dedication to year-round training has translated into power, speed, and strength, allowing her to perform at an elite level when it matters most. Beyond her measurable success, Lilly has become a culture-setter, modeling discipline, resilience, and team-first leadership for younger athletes in the program.

Lilly Cimaroli is not only one of the top field hockey players in the nation, she is a true strength athlete whose work ethic and leadership make her exceptionally deserving of High School Strength All-American recognition. ~James Davis
