Topic: Sports Medicine Specialist of the Year award nomination extension

Resolution #2019-12-22-01 Passed December 22, 2019

Adopted motion: To extend the nomination period to January 4 for the Sports Medicine Specialist of the Year award.

Reason: The Sports Medicine SIG executive council solicited for nominations for the Sports Medicine Specialist of the Year award. The Chair received confirmation that three nominations had been submitted. The NSCA only received two. The nomination that was not received was submitted on the 12th of December. The website had a known issue occur that day. The request is to open nominations back up for the Sports Medicine Specialist of the Year award for a short period.
