LEAH LANE

Senior

Leah Lane is a high school senior at Epic Charter Schools and a student of the BioSciences and Medicine Academy at Francis Tuttle Technology Center.

- All-Academic and All-American (2nd team) through USA Fencing for the 2023, 2024, and 2025 competitive seasons.
 - Two-time Junior Olympics competitor
 - National recognition in Division 2 women's epee by finishing the last three years ranked among the top in the nation.
 - Captain of the ladies' fencing team and her services as a volunteer, a certified coach, and a referee.
- Leah enjoys challenging herself and her teammates on the ice, on the fencing strip, and in the weight room.
- US Figure Skating Gold Medalist in Moves in the Field in 2024 and a 2019 Excel Series National Champion.
 - Spring of 2026, Leah will complete her final figure skating skills-based test to earn recognition as a US Figure Skating Gold Medalist in Ice Dance.

Leah finds strength and conditioning training to be an enabling factor in her success across sports and feels personally empowered as she embraces continuous cycles of challenge, growth, mastery, and re-challenge in support of her training goal to always push for new personal bests.

Following high school, Leah plans to attend a military service academy. Her career goal is to serve her country and her fellow soldiers as a military

physician. Leah looks forward to sharing her love of strength and conditioning to motivate her future patients to aspire to optimal health as a key aspect of their personal fulfillment and in support of the military readiness of our nation's armed forces. Leah is respectful, kind, hardworking, servant-hearted and digs deep when things get hard. Proud to get to coach her and an honor to nominate Leah for this award. ~Elizabeth Mullins
