

Maximize Your Impact: 3 New (Free!) Ways to Engage

We're excited to offer three exclusive, first-come, first-served opportunities to boost your brand's visibility at this year's National Conference—at no additional cost to you.

1. The Astro-Turf Interactive Demo—Step off the carpet and onto the grass! Showcase your product in action on our dedicated hands-on area

- **Availability:** Only 10 slots (30 minutes each).
- **The Vibe:** High-energy, interactive, and perfect for live demonstrations that a standard booth can't capture.

2. Off-Site Reception Takeover @ Dave & Buster's - Join the NSCA for our official off-site party and own a piece of the fun!

- **Option A: Separate Room Hosting.** We have 5 rooms available. Treat attendees to your own "Signature Drink," margarita towers, or custom catering.
- **Option B: The Midway Challenge.** Sponsor a high-traffic gaming area. Think Skee-ball tournaments, Mario Kart races, or Strongman competitions.

3. Morning Wellness Activation

Help our attendees start their day right during our two morning workout sessions.

- **Your Role:** If you have a specific product or wellness-focused "booth interaction" to engage attendees before the floor opens, let's make it happen.

Don't Wait—Slots are Filling Fast! These opportunities are awarded in the order received. Reply to this email or reach out to our exhibitor team directly to secure your spot.
