- Please allow three (3) business days for processing all orders. 2<sup>nd</sup> Day Air shipping requests do not expedite the processing of your order, only the time in transit for delivery. Please review special notices during the checkout process that may notify you of any warehouse closures that could delay the processing of your order further.
- Allow two (2) additional business days, not including the date of shipment, for delivery of all 2<sup>nd</sup> Day Air packages.
- Orders are currently shipped via FedEx so a physical shipping address and a daytime contact phone number are required. International delivery or orders to a PO Box may be subject to additional shipping charges if USPS is the necessary carrier. Customers will be contacted if additional charges apply. Allow 3-5 business days for standard domestic delivery and 7-10 business days for international.
- Countries outside the U.S. may impose additional fees (customs, brokerage, etc.) on the incoming shipment that must be paid by the recipient. The NSCA is NOT responsible for excise taxes, custom fees, brokerage fees, or duties for items shipped outside the U.S.
- Multiple product orders and orders over \$500 are subject to additional shipping charges. These additional charges will be determined on an individual order basis and customers will be contacted if these additional charges apply.
